

TO DCI:

Give you some flavor of question to be asked
of DDCE.

25X1

QUESTIONS FOR MONDAY, 5 OCTOBER 1981, SFRC BRIEFING

1. Security and technical assessments on AWACS and A9L.
2. How have these assessments changed from four years ago?
3. Discuss the Israeli-Arab air balance, current and projected, thru 1985.
4. How would AWACS sale affect this Israeli-Arab air balance?
5. Please give a political assessment of Saudi stability, internal and external threats.
6. Please give a threat assessment from the Saudi point of view.
7. Please give an assessment of the Nimrod.

NOTE: These topics will be included in an opening statement made by whoever chairs the briefing. Chairman Percy probably won't be back in town on Monday.
